Woohoo!

I'm glad to help, but they're kinda waiting for me back at the party pad.

I was supposed to bring hot dog buns and be back in ten.

Turtle Princess is back with the rad vocab! Just remember: STALACTITES point down, and STALAGMITES point up.

There are only 16 words on this page, so here's a **FUN FLY FACT**: Flies can't chew. Also, they taste with their feet.

**BOMBINATE** (verb): To make a buzzing noise or deep, hollow sound. So at this point, it's probably half Stannynooos and half angry monkeyfly.

VELOCIOUS (adjective): Speedy or fast. Which is different from a VELOCIPÈDE, which is a tricycle.

You listen here.  
You dragged me on  
this dumb adventure,  
and I didn't want to  
go, but there were  
sammiches.

Well, I'm  
not a wuss. And  
there could be  
sammiches over  
there.

And now  
the sammiches are  
gone, and you're  
being wusses about  
crossing some  
gross river.

And now I'm  
going to get the  
statue and be  
the big cheese,  
so there!

Maybe there's another  
way around the  
aqueduct\*.

She's going  
to need us if  
something really  
scary happens.

Stop acting  
like the **WORRY  
POLICE**. She's  
a grown...lumpy  
space person.

We just  
need to wait here  
and take care of  
the statue we've  
already got.

**AQUEDUCT** (noun): An artificial channel for  
water. But this is more like an eggquiduct.

**LITERALLY** (adverb): in a literal sense, exactly. For example, if LSP said, "I am literally green with envy," she would be legally required to paint herself green. Or else. Being figuratively green with envy is allowed.

**TENEBOUS** (adjective): Full of darkness. Although that makes it sound less like the inside of a cave and more like a cup of coffee. Mmm. Coffee.

Being old is the worst. Everything I had hurt.

Even my toenails. And I was craving tapioca\* like crazy.

Mmm. Tapioca. With half a grapefruit. What a breakfast.

Now, let's go back to that fork and kick its tines!

I go left. Jake, you take the middle. Stanley and BMO, go right.

If there's trouble, scream.

This adventure is for bro times, not...hobbling down hallways alone.

Oooh, oooh, statue. You're so beautiful and feetly.

YEAH COME ON I WANNA FIGHT MONSTERS WHAT

I could do this at home.

I wanna smooch your toesies.

You are not alone. BMO is here! We are having B-times!

**TAPIOCA** (noun): A kind of pudding made from the roots of the cassava plant. It's basically ultra chunky health pudding, and old people go crazy for it. It's also what makes the bubbles in bubble tea.

**BEHEMOTH** (noun): A huge and monstrous creature. Unrelated to moths. Unless it's a really big moth.
